Report Period: Oct 19-Nov 1

Summary of Progress in this Period

In this period we continued to test the components and work with the code examples that we are using to run the chip off of

Pending Issues

We are still working on testing the components to get a clear reading. We are getting some outputs but it is a bit fuzzy. We have still to get any output for the ADC

Plans for Upcoming Reporting Period

We are going to continue testing the components until we know that they are meeting out specifications.
